

EDUCATION

Year	Degree/Exam	Institute	CGPA/Marks
2027	B.TECH	IIT Kharagpur	8.24 / 10
2023	Class XII, GSEB	Ashadeep Ucchatar Madhyamic Shala	80.90%
2021	Class X, GSEB	Ashadeep International School	90.00%

INTERNSHIPS

Work2Hire Founder's Office Intern	May'26 - Aug'26
- Converted 34 campus and community conversations into 9 activated partnerships and 2,400 student registrations through a stage-gated outreach funnel - Owned 4 product launches end to end on a scored priority queue, replacing the ad-hoc founder asks with checklists, comms sequencing and written retros - Cut support volume from 31 to 18 tickets per 1,000 users by clustering 600 customer queries into leading intents and answering the top 5 inside the product	
Solvify Tech Product Intern	May'25 - Jun'25
- Traced a third of stalled new accounts to one data-import step, mapping the onboarding friction through 15 customer interviews across the SME user base - Reduced steps to first value from 11 to 6 by comparing 6 competing products on onboarding, pricing and setup time, and recommending a shorter path - Prioritised a 22-item product backlog into written PRDs with acceptance criteria, ranking each on reach, impact and effort so 7 shipped in the next cycle	
Shivfit Wellness Digital Product and Community Ops Intern	Mar'26 - Aug'26
- Ran 10 cohorts of three paid programs on TagMango for 1,000+ members, generating INR 80L+ in revenue and lifting program completion 15 points to 61% - Automated weekly content scheduling from 5 hours to under 1 across two parallel batches, moving the entire workflow into a 3,300-line Chrome extension	
Instarto Research Intern	Jul'25 - Aug'25
- Evaluated 10+ AI-infrastructure startups including Getbee on business model, traction, funding stage and financials, with SWOT and market positioning work - Narrowed ~120 investors to a 25-name shortlist across 3 live mandates, scoring thesis fit, stage and cheque size against the firm's seed to Series B pipeline	
Khageshvara Aviation Technology Talon E-VTOL Project Member	Aug'24 - Dec'24
- Led an 8-member team building the Talon eVTOL to a 5 kg payload and a 20 km range, pairing 4 fixed lift rotors with 2 tilting rotors for the cruise transition - Converged 5 airframe iterations and 2 competing tilt-rotor architectures into a single build-ready design, modular in 3 sections for field transport and repair	

ENTREPRENEURIAL EXPERIENCES

Co-Founder TEVIX (SensoPack) 3rd in Agriculture track, Platinum Jubilee Innovation Challenge, INR 5L funding commitment	Apr'26 - Aug'26
- Built SensoPack, an AI-IoT cold-chain tag combining biodegradable biofilms, biomarker sensing and on-device TinyML on an INR 30-120 NFC bill of materials - Achieved 92% predictive shelf-life accuracy on the tag, replacing static printed expiry dates with live freshness estimates and projecting a 30% cut in waste - Addressed an INR 61,000 crore fisheries market and INR 30,000 crore of annual livestock losses, making freshness uncertainty the wedge into fresh retailers	
Founding Team Manager and Senior Executive Innovation and Incubation Cell, IIT Kharagpur	May'25 - Jul'26
- Managed a 50+ member team across the operations, outreach, sponsorship, media relations and entrepreneurship verticals of the Cell through the year - Oversaw a cumulative INR 6L+ budget across flagship campus events engaging 200+ participants, owning permissions, logistics and execution end to end - Assembled a startup-VC pipeline connecting 50+ startups with 10+ VCs, mentors and curated cohorts, plus a Next Wave course opened free to the campus	

COMPETITION/CONFERENCE

Inter IIT Tech Meet 14.0, Adobe Reimagining Photoshop as the AI editor of 2030	Oct'25 - Dec'25
- Mapped a \$2.56B mobile and desktop editing market growing at 4.4% CAGR, scanning 4 categories of editors and naming the gap each one had left open - Designed retroactive edit sliders so revising an earlier instruction no longer discards every later edit, the destructive behaviour users hit in AI editors now - Took the app from hand wireframes to a 12-screen Figma system, cutting a cluttered landing page down to two clear workflows plus a visual recents tray	
Gold Medal, Open IIT Case Study Competition QPo Cabs, IIT Kharagpur	Oct'24 - Nov'24
- Modelled unit economics at INR 35 CAC against INR 280 annual revenue per user, clearing a 3x ROI and breakeven within 30 days on 500+ monthly users - Projected 25% trial-to-paid conversion on a targeted acquisition push, onboarding 500+ riders a month toward rapid scale in a contested mobility market - Proposed surge-pricing and rider-safety features benchmarked against Ola, tying each one back to a named retention problem rather than a feature gap	

POSITIONS OF RESPONSIBILITY

Public Relations Chair Technology Students' Gymkhana, IIT Kharagpur	Jun'25 - Jun'26
- Orchestrated a 5-day round-the-clock SIH Hardware Edition on an INR 1.2 crore budget, coordinating 450+ participants, mentors, volunteers and vendors - Launched the SoAC Portal for 70+ student societies, centralising discovery; drove recruitment and event updates for 16,000+ students and 30,000+ alumni - Secured 40+ institutional collaborations and sessions, sharing 1,000+ internship and career openings; grew TSG social reach 30% YoY to 40,000+ followers	
Founding Member and Sponsorship Head Gujarat Cultural Association, IIT Kharagpur	Jul'24 - Jun'26
- Founded and ran the sponsorship vertical at the Gujarat Cultural Association, clearing 100%+ of target every edition and underwriting its flagship events - Grew Garba Night sponsorship revenue 5x and attendance 2x over the two editions through targeted outreach, publicity and named brand partnerships - Directed 60+ students through end-to-end delivery of Garba Night and Food Fest, owning permissions, budgeting, publicity and on-ground event delivery	

EXTRA CURRICULAR ACTIVITIES

Societies: Former member of Aerial Robotics Kharagpur, the Aerospace Engineering Society and the Students' Branding and Relations Cell at the institute
Cultural and Sports: Placed 3rd in Illumination in third year, 2nd in Rangoli in first year, and won a gold medal playing hockey for MS Hall in the inter-hall GC
Technical: Competed across several GC technical events, taking 3 medals in two years - gold in Data Analytics and bronze in both OpenSoft and Ad Design
Mentorship: Mentored first-year students on campus, and separately guided 350+ JEE aspirants through exam preparation and strategy at Physics Wallah
Social impact: Completed 100+ hours of NSS community service, teaching students from underserved communities and running local clean-up campaigns
