GALK Inc. (Willings)

The CV submission of GALK Inc (Willings) has been opened till 11:59 PM, 15th September 2026.

Interested and eligible students are advised to apply within the given deadline. No further extensions will be given.

The students who have applied on ERP are required to complete their registration on the GALK Portal as the next step.

Registration

Link: https://candidate.galk-jp.com/

Candidates are required to:

1. Register and log in to the GALK Portal.
2. Complete the registration process, including publishing their profile after login.
3. Go to the GALK Recruit section and complete the Screening Form.
4. Answer all questions carefully and correctly before submitting the form.

Note: Once the Screening Form is submitted, the responses cannot be reverted or modified. Candidates are therefore advised to review their answers carefully before submission.

Only the students who have applied on both ERP and the GALK Portal will be considered.

ACCENTURE SOLUTIONS

All the eligible students please refer to the test Instructions for Accenture I&E - AI & Data Intern:

1. Please disregard the shortlist released earlier. Refer only to the links shared directly by the company. This applies specifically to the I&E - AI & Data role.

2. Test mails for the I&E – AI & Data role (Dual Degree) will be released shortly.

3. If you received a test link today, attempt it regardless of whether your name appears in the shortlist, the shortlist released by the company is incomplete.

4. If you did not receive a test link today but received an assessment link yesterday, click on it to check if you are redirected. If it shows that you have already attempted the test, take a screenshot and upload it in form below.

5. For any other issue e.g., your name is in the shortlist, but you haven't received a link please check your CDC-registered email and spam folder thoroughly before reporting and make sure that you are specific in stating the problem so that the company can understand the issue you are facing.

Kindly add your queries in the form: https://forms.gle/m9vZCe6ztDeNzx7t7

Note:

Test links for the Dual Degree students will be sent directly by the company to the students soon. As mentioned previously, please make sure that if you are a Dual Degree student, you do not attempt the UG tests.

Regards,

ACCENTURE SOLUTIONS

Please find attached the list of candidates shortlisted for the Accenture Solutions assessment for the I&E - AI & Data Intern role.

Note: Eligibility for this role is strictly limited to B.

Tech/BS students. If any Dual Degree student attempts the test for the I&E - AI & Data role using the link shared today, their application will not be considered even for the I&E - PG AI & Data role. The test for I&E - PG AI & Data role will be conducted tomorrow.

Test Window: Until 9:00 AM, August 5, 2026

Venue: Respective Locations (Online)

Shortlisted students have already received the test link directly from Accenture. Please ignore the July 20th deadline mentioned in their email and ensure you complete the assessment before the updated deadline stated above. No further extensions will be granted.

#492 · id 360 INTERNSHIP Urgent 29-07-2026 12:02

CDC Internship process 2026-27

Kind attention: CDC Internship registered students:

a) The internship interview process will be conducted at Nalanda only.

b) Keep your pen, notepad, copy of your CV (at least 6/7 copies), all electronic gadgets handy. CDC Office will not entertain any requests from the candidates to print out their CVs during the process.

c) Keep one Govt ID card, Institute ID card handy.

d) Dress code is formal.

e) As the process is being conducted online / offline / hybrid mode , your process may be preponed or postponed. Hence be available in mobile and check CDC notice board. CDC office/ Placecom member may call you at any time. Be vigilant.

f) You are advised to behave properly with courtesy with the company officials, placecom and CDC office.

g) Student should refrain themselves to indulge in any malpractices which may tarnish the image of the Institute. If CDC receives any complaint from the company suitable disciplinary action will be taken as per Institute/ CDC policy.

h) CDC office will publish the shortlist in advance in CDC Notice board (ERP). The students are advised to keep checking CDC Notice Board (in ERP) at regular intervals.

i) Students having multiple shortlists will be accommodated in a particular way, so that they can attend the same. The same will be communicated in advance. Be vigilant and attend the phone calls, whatsapp messages from Placecom/ CDC office.

j) No student is allowed to disclose any information pertaining to the date of interview, the time of interview, the roles offered, the stipend offered, and the eligibility criteria of any company while interviewing for, or interacting with any other company. In the event of such a happening, CDC will consider it as violation and appropriate action will be taken.

k) CDC office will publish the internship process result in CDC notice board. Single offer will be treated as DEEMED ACCEPTED. Offer acceptance will only be taken from those who has multiple offers.

l) All the students will have to accept the offer in ERP (be it single offer or multiple offer). It is MANDATORY. Please note that once you get a CDC internship offer, you will not be allowed to sit in any further CDC internship process.

m) Any kind of discrepancies in the name/roll number or issues in the declared list may be brought to the notice of CDC on the same day. CDC helpline number -03222-281870 (only available on the days of interview, during office hours).

Notice regarding malpractice during Internship process 2026-2027

All students are hereby informed that the upcoming internship process (2026-2027) shall be conducted with the highest standards of honesty, integrity, and professionalism.

Any form of malpractice, including but not limited to providing false information, impersonation, unfair means, misrepresentation, bypassing test guidelines or any unethical conduct during the internship process will evoke serious consequences.

Students found to have engaged in any malpractice at any stage & from any source during the internship process will be debarred from participating in Day 1, Day 2 and Day 3 of the internship process. In addition, disciplinary action will be initiated against the concerned student(s) as deemed appropriate by the institute authorities, in accordance with the applicable rules and regulations.

All students are advised to adhere strictly to the code of conduct and maintain the integrity of the internship process.

Travel window for potentially eligible students for Internship 2026-27

Students participating in the CDC Internship Process 2026-27 are advised to plan their travel during the designated travel window (10th July to 12th July 2026) and ensure their availability in the IIT Kharagpur campus from 13th July 2026 onwards.

There will be internship related activities between 13th July and 18th July 2026. Please note that these processes may be conducted in either online or offline mode.

Students are therefore advised to make their travel arrangements accordingly and remain available during this entire period to avoid missing any internship activities.
